SurfON Collaborators Day

10:00 am start, The Studio
7 Cannon Street, Birmingham, B2 5EP

Please join us in person for the SurfON Collaborators Day on 15th June 2022 at the Studio in Birmingham. We will be giving an update on SurfON and plans for our recruitment re-start, anticipated to be in July 2022. This will be an excellent opportunity to meet health professionals from our other NHS participating sites and also to meet the team! All site staff working on the trial are very welcome to attend. Lunch will be provided & reasonable travel expenses will be reimbursed.

Please confirm your attendance as soon as possible at surfon@npeu.ox.ac.uk so we can book your space. Hybrid format will be offered for those who are unable to join in person.

We very much look forward to meeting you in person on the day!

This study is funded by the National Institute for Health Research (NIHR) [Health Technology Assessment (HTA) (project reference 17/89/07)]. The views expressed are those of the author(s) and not necessarily those of the NIHR or the Department of Health and Social Care.
